

FAQ - South Skye Motorhome Park

Is there fresh water available? - There is a fresh water tap on the side of the wooden fence at the service point.

Is there black waste and grey waste disposal? - There is a waste disposal point in which both black and grey waste should be disposed of. Please note, there is no drive over on the ground for disposal of grey waste. There is a cost of £7.50 to use the waste disposal and it is accessible for residents and non-residents.

How do you use the waste disposal facility? - To use the facility, the payment has to be made through the contactless card reader at the service point by tapping your card. There is a poster with instructions that will guide you through the process.

Where is my code for the electric gates? - The code to open the electric gates can be found on your confirmation email, on the top left corner.

How to check in? - To check in, simply go to the entry electric gate and input your code in the number pad. After this, the electric will automatically open.

What time is check in ? - Check in is from 2pm and you can go straight to the pitch number that has been assigned to you.

What time is check out? - Check out is by 11.30am. Please, leave the site as you found it and take all your personal belongings with you.

Where can I dispose of rubbish? - There are two bins available at the service point. There is one for recycling and another one for general waste.

Where are the toilet and shower facilities? - There are toilets and showers in the main building.

When are toilet and shower facilities available? - These facilities are currently available when the main building is open. The opening times vary from day to day depending on what events are on or if the hall is booked. As a standard, you should expect the building to be open 7 days a week from 9.30 am to 5.30 pm. However, if you arrive outwith this timeframe we recommend you check if the front door is unlocked as the building may still be open. We are working on making these facilities available 24/7 in the near future.

Why is there no power? - Once you have plugged in your electric cable, turn the switch above the socket. It needs to be ON for the electricity to work.

How do I book a pitch? - To book your stay, please visit <https://ancrubh.com/south-skye-motorhome-park-an-crubh/> or scan the QR code below. We currently only accept bookings done through our website.
